## Dedication

1947, Raymond B. Oliver returned to McDonogh as a mathematics teacher. Previously, Mr. Oliver attended McDonogh as a scholarship student, and he graduated in 1940. He then went on to the Naval Academy, and served in the Pacific during World War II.

Always adept at his profession, Mr. Oliver became Head of the Math Department in 1958. Most recently, he was appointed academic advisor to sophomores and juniors in 1978. Yet McDonogh is not the only recipient of his knowledge and guidance. He has worked for the Maryland State Fair for many years during the summer months.

Many McDonogh students are well acquainted with Mr. Oliver's fierce tennis rivalry against Colonel Kenney and his colorful expressions. "Hominy heads" and "take your brain out of your back pocket" are two of students' favorite uniquely Oliver expressions.

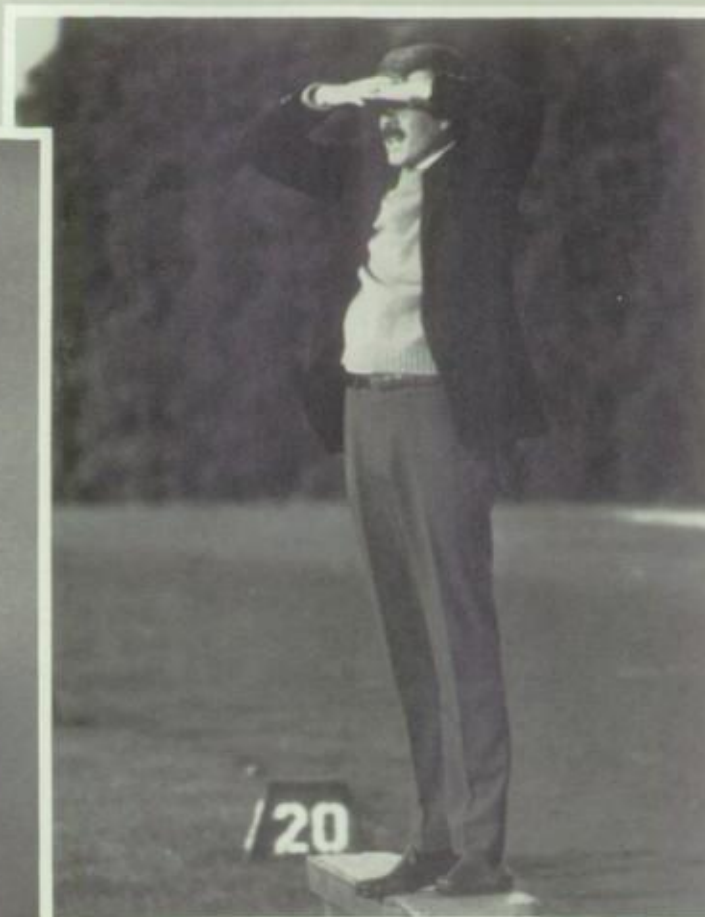

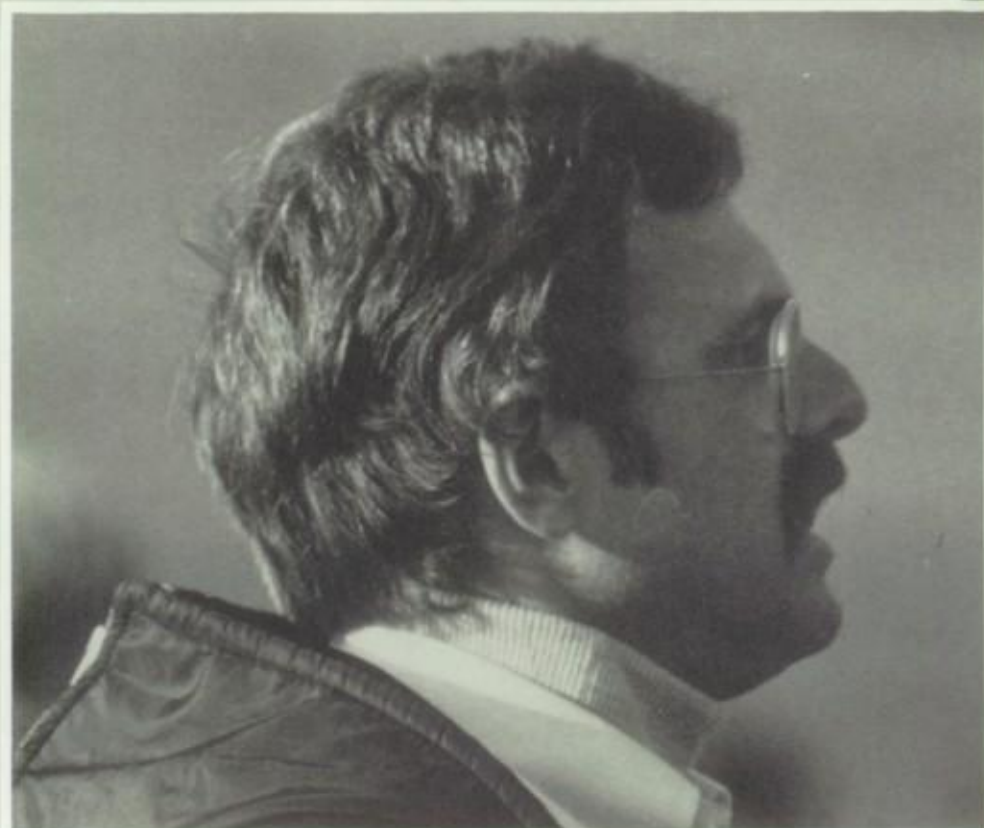

With a sense of humor and sound advice, Mr. Oliver gently guides students through the often difficult and trying years of Upper School. With great appreciation, the staff of the 1983 Legacy dedicates our yearbook to Mr. Raymond B. Oliver.

## ADMINISTRATION AND STAFF

## Headmaster's Office

As Headmaster of the school, Dr. William C. Mules (upper left) is responsible for the entire operation of the school. As the head of the administration, Dr. Mules works closely with the Dean's office in serious disciplinary matters. An avid photographer, he invites seniors to his home throughout the year for a spaghetti dinner and nostalgic slide show. Mrs. Grant (upper right) serves as Dr. Mules' secretary. Mr. Thomas Keigler (lower left), Assistant to the Headmaster, handles most of the important managerial decisions of the school. An American history teacher and Varsity Lacrosse coach, Mr. Keigler played for the United States World Lacrosse team during the summer of 1982. Mrs. Dorothy Liebno (lower right), the Alumni Patrons Office Secretary, coordinates all alumni functions. All the members of the headmaster's office work together to operate the school smoothly and efficiently.

## Dean's Office

Major Alvin J. Levy (top), is responsible for handling most disciplinary problems. Maj likes to have close friendships with students and usually finds his office filled with students. Every other summer Maj takes a group of students to Europe on McDonogh Abroad. Mrs. Dorothy Carpenter (top center) serves as secretary to the Dean. Handling check-in and check-out, demerit slips, and many other things, Mrs. Carpenter always seems to have a smile on her face. The Associate Deans, Mrs. Amy Frew (bottom center) and Mr. John Thomas (bottom right), have numerous duties as teachers, counselors, and coaches. Mrs. Frew teaches in the middle School and coaches the third hockey team and the girls' Varsity Basketball Team. Mr. Thomas teaches Psychology, coaches the Varsity Soccer Team, and counsels in the Middle School. Mr. Hugh Burgess (bottom left), Dean of Faculty, is an English teacher, college counselor, and an experienced photographer and poet.

## Upper School Administration

Mr. John Hedeman (top left), the Head of the Upper School, plays an important role in co-ordinating the academic programs of all Upper School students. He also assists all the seniors with college admission plans. Mrs. Ceil Millar (top right) and Mr. Hugh Burgess (bottom left) also share the job of college counseling. Mrs. Barbara Bagli (center) has full charge of the freshman class and attempts to make the transition into Upper School easier. Mr. Raymond Oliver (bottom right) serves as an academic counselor for both the sophomore and junior classes. All of the Upper School Administrators serve as teachers in various departments. By working together the counselors attempt to guide students through their years at McDonogh.

## In Appreciation

After fifteen years of devoted service to McDonogh School, Mrs. Eleanor McCarty will be retiring at the end of this year. We would like to express our appreciation for all the help she has offered us. Her main contribution to the school was the enlargement and modernization of the library's book collection. She also established the vertical file and upgraded the school's audiovisual equipment.

In her spare time, Mrs. McCarty enjoys traveling around the world. Last summer she visited Yugoslavia. In the future, she intends to continue with her traveling and also plans to take several art courses.

We wish Mrs. McCarty the best of luck in the future, and express our sincere thanks for all that she has done for McDonogh.

# LOWER SCHOOL

# Lower School

Mr. Robert Littell has, for the fourth year in a row, supervised the Lower School through another successful year. Thanks to a dedicated teaching staff the Lower schoolers receive the preparation needed to advance to the Middle School.

In addition to academics, dance, physical education and a full activities program are now a part of the Lower School curriculum. The Lower School provides a solid foundation for a McDonogh education.

No, Mr. Littell, I think it's pronounced pre-si-dent.

# In Appreciation

After thirty-eight years of devotion to the McDonogh family as a Lower School teacher, Miss Agnes Thomas will be retiring. During her years here, she has grown to be someone that her students felt they could depend on.

Miss Thomas, who was active in many Lower School activities, feels that the time she spent at McDonogh was filled with "very, very happy years," with many special occasions such as the Family Days and Competitive Drill Days, and the school's seventy-fifth anniversary.

Miss Thomas was a tremendous asset to the McDonogh community and many people will be sorry to see her leave. We would like to express our sincere appreciation of her kindness and devotion towards others and wish her all the best of luck in the future.

# MIDDLE SCHOOL

# Middle School

Under the guidance of Mr. Q.D. Thompson, the Middle School provides a solid background for the future Upper School years. With a strong curriculum including French and Latin, Middle Schoolers are given a head start in preparing for the often difficult Upper School courses.

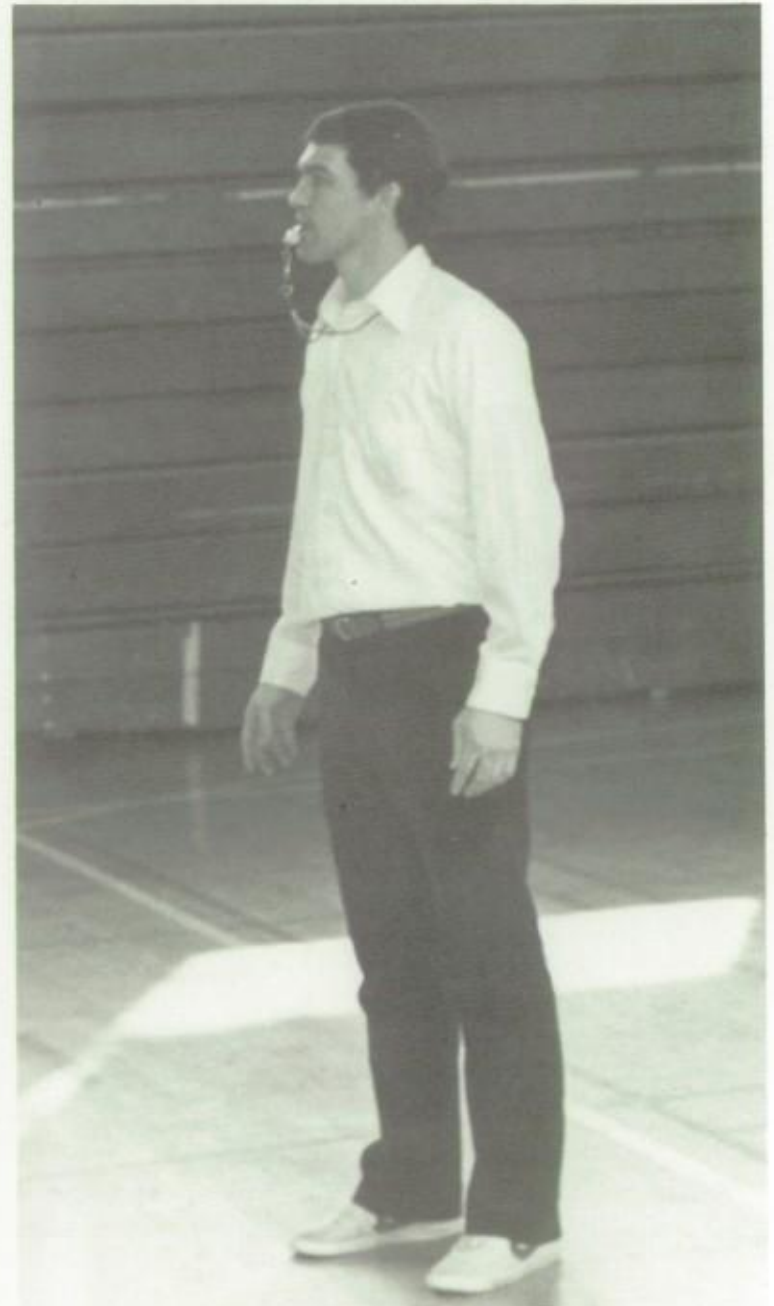

Extra-curricular activities are also a large part of the Middle School day. Such activities as the Backpacking and Drama clubs invite a great deal of enthusiasm. In athletics, boys and girls compete in a wide range of inter-scholastic teams. Every aspect of the Middle School day, whether it be academic, athletic, or extra-curricular, is designed to be both challenging and fun.

# UPPER SCHOOL

# English

The English Department was headed this year by Mr. Harper, replacing Mr. Levy who spent the year in California. Mr. Harper, who taught several popular electives as well as freshman and sophomores, also was the advisor for the school newspaper, *The Week*. Mr. Powers, serving in an exchange program with Mr. Levy, was an import from California who taught several sections of English courses including Mythology and Utopian Literature. Also new to the English Department this year was Mrs. Whitlock, who taught part-time. Mr. Van Meter, the resident thespian, produced two successful plays and taught several sections of English which included drama electives. Mr. Corcoran, Mr. Jarboe, and Mrs. Lipsitz all taught freshman and sophomores along with their own electives. Mr. Corcoran, the advisor for the *Legacy*, also coached the track team. Mr. Jarboe's was McDonogh's expert bird watcher raquetball player, and softball coach while Mrs. Lipsitz enjoyed taking students to Center Stage. Mr. Burgess and Dr. Mules also contributed to the English Department in addition to maintaining their administrative duties.

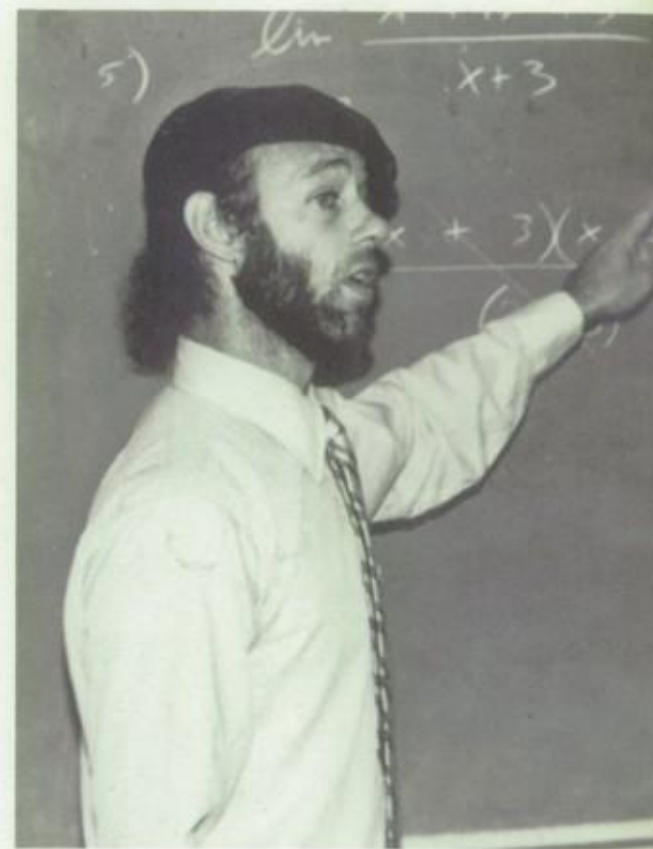

# Math

The Math Department was headed by Mrs. Ceil Millar. Mrs. Millar, who taught several math sections, also served as an assistant College Counselor and as the Varsity Cheerleading Coach. There were two new additions to the Math Department this year, Mr. John Locke and Ms. Vanni. Mr. Locke, who came from Colorado, taught Calculus classes. Mr. Locke also supervised the Chess and Outing Clubs. Ms. Vanni, who coached Middle School sports, taught both Algebra and Geometry classes. Mr. Oliver, who continued with his administrative duties, taught both Math IV and Calculus. Mrs. Mina Wender taught electives in Computer Math and Probability and Statistics, as well as her regular math classes. Mrs. Smoot and Mrs. Barr also contributed to the Math Department's expertise by teaching Algebra and Geometry classes.

Just failed another test, huh you hominy head?

Remember, I am still grading your test.

If you didn't understand this, you're no better than an animal.

Yes, that is you with the three E's beside your name.

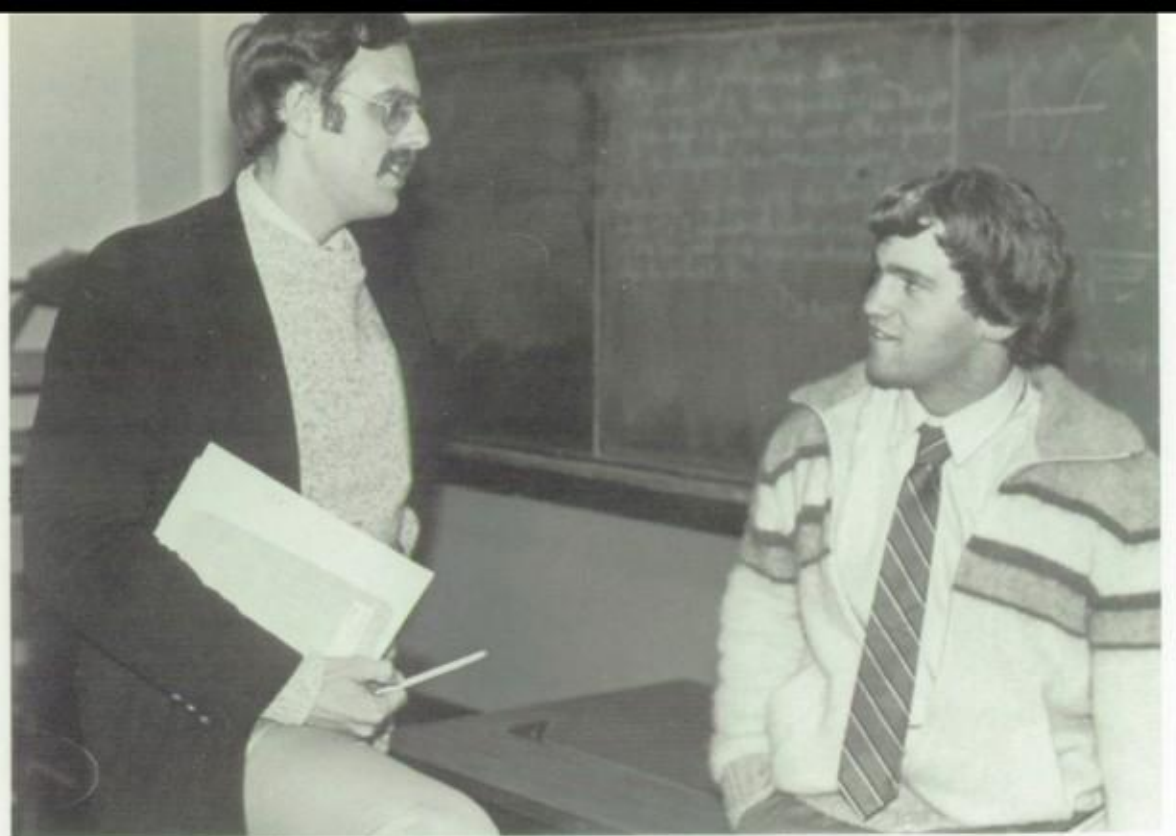

Only I can play games

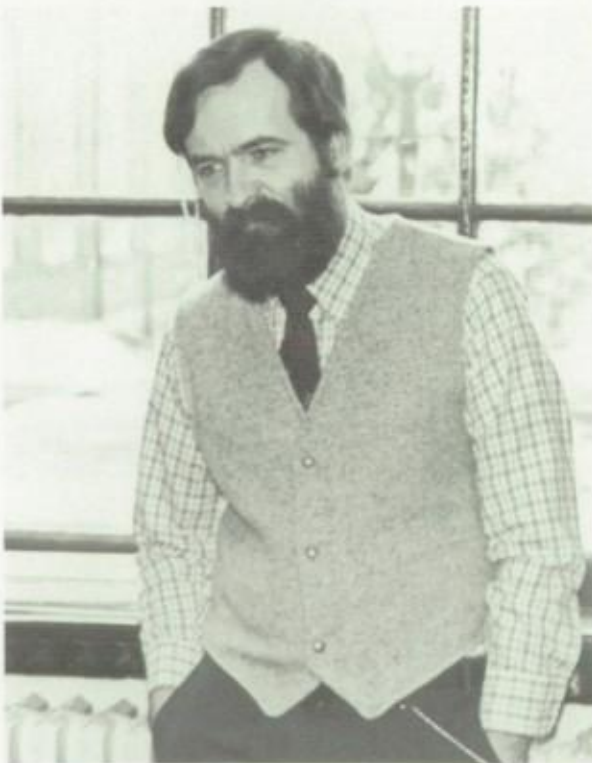

# Social Studies

The Social Studies Department was headed again by Mr. Dave Harley. Mr. Harley, who taught advanced courses in both European and American history, also served as an assistant coach to the girls' lacrosse team. Mr. Brown, who taught both Freshman European history and advanced American history, also served as the sponsor for the successful Community Service Organization. Mr. McKibbin and Mr. Keigler both taught American history to juniors and seniors. Mr. Keigler, who is also in the administration, was a member of the World Lacrosse Team last summer. Three other members of the Administration, Mr. Hedeman, Mrs. Bagli, and Mr. Thomas, all found time to teach one section of social studies. Mrs. Bagli, an Upper School counselor, and Mr. Thomas, an Assistant Dean, each taught a separate section of Psychology. Ms. Cole rounded out the diverse Social Studies Department by teaching courses such as Economics and Government.

"Gary, you've been absent HOW many days this year?"

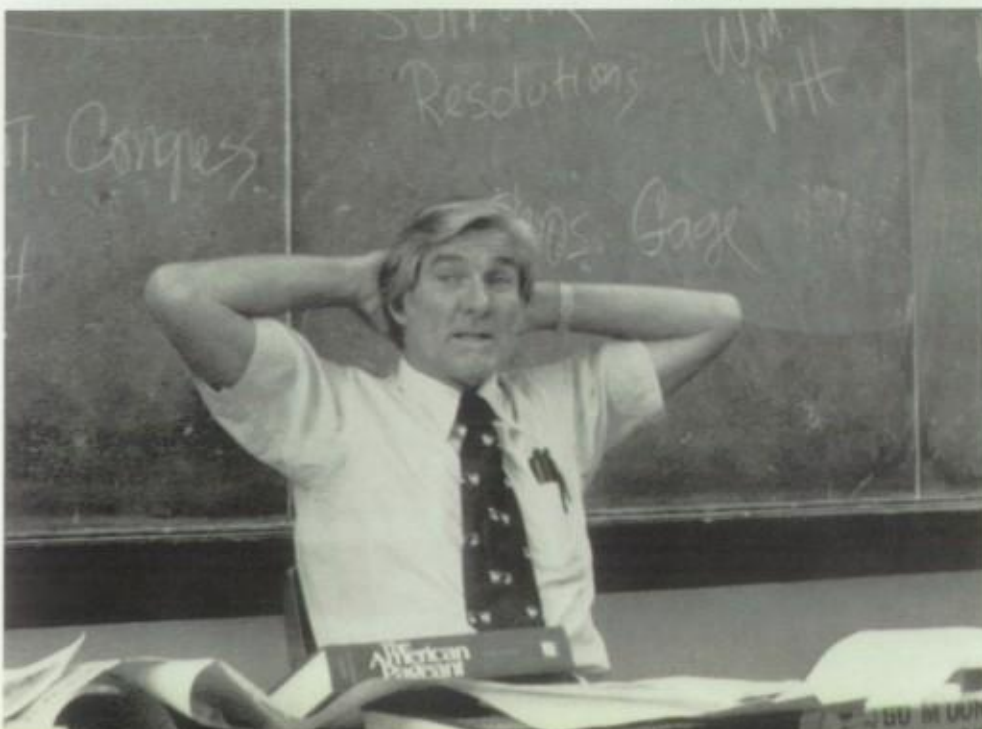

A warm radiator on a cold day.

"No, lacrosse players are not exempt from the exam."

College? Forget it!!

# The Arts:

## MUSIC AND DANCE

Mr. Anders, Mrs. Kunkel, Mr. Green, Mr. Wilson, Ms. Hays, Mr. Hudson, Ms. Dorf, Mr. Geyer, Mr. Crisfulli, Mr. LaCourse

The Arts Department, under the direction of Mr. John Van Meter, was a newly created department this year which combined the music, dance, and art programs. The music program, under the guidance of Marshall Anders, completed a successful year. Lower and Middle School students took Music class as part of their regular curriculum. However, individual music instruction was also available to any interested student on a wide variety of instruments. Musically inclined students from all three schools formed an orchestra which played at several school events.

The Dance program, under the direction of Ms. Young, provided instruction in dance to Lower, Middle, and Upper School students as part of the regular athletic program. Students who were unable to participate in dance as an athletic were given an opportunity to elect dance as an activity. The Dance program presented several special events during the year. The Dance and Music Programs worked together this spring to produce the musical *Bye Bye Birdie*.

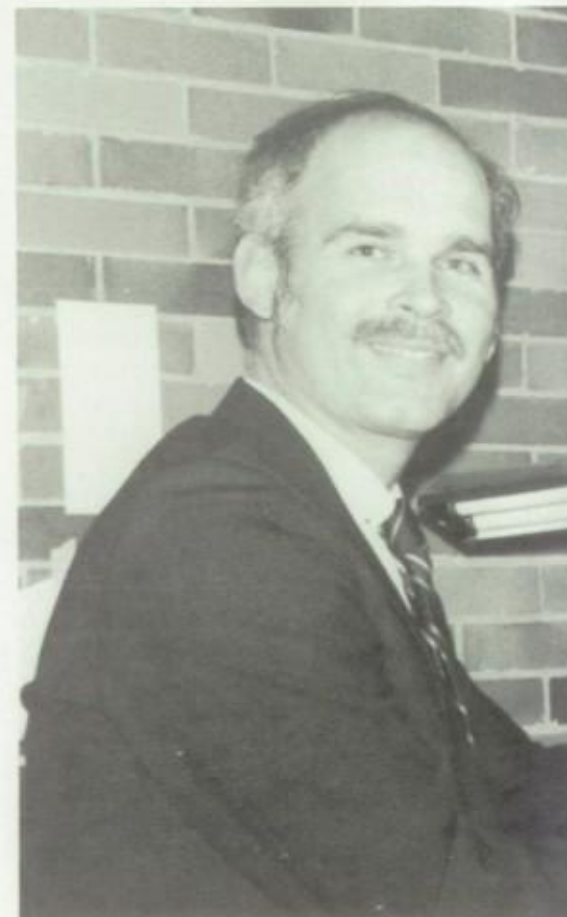

## ART

The Art program, which is a part of the Arts Department, was under the guidance of Mr. Daniel Roach. Fifth and seventh grade students took art class as part of their regular curriculum. Upper School students, though not required to take art, were offered a wide variety of elective courses including Sculpture, Photography, Printmaking, Pottery, and Drawing and Painting. Students who elected not to take an offered course had the opportunity to take Independent Studio and to do an intensive study of one area of art. A course in mechanical drawing was also offered as an elective for students. It was taught by Mr. Derek McGuirk, who also instructed Industrial Arts.

## Religion

The Religion Department was under the direction of Mr. John Grega. Mr. Grega, who came to McDonogh just a few years ago, has helped to institute a permanent Religion Department at McDonogh. Mr. Grega, who often delivers special grace at lunch, speaks at most of the important school ceremonies, including Founder's Day and Graduation. The Religion Department also sponsored services in the chapel for special religious days during the year. Mr. Grega also taught several English electives on religion and held seminars on topics such as cults.

# Varsity Football

Once again, the Varsity Football team competed in the rugged M.S.A. "A" conference. The year could be described as unusual since the team finished with a record of 2-9. Depth was a problem causing the Eagles to drop some very tough games to Poly, Calvert Hall, and Loyola. Leadership was provided by tri-captains Garth Kilburn, Paul Meurer, and Todd Smith.

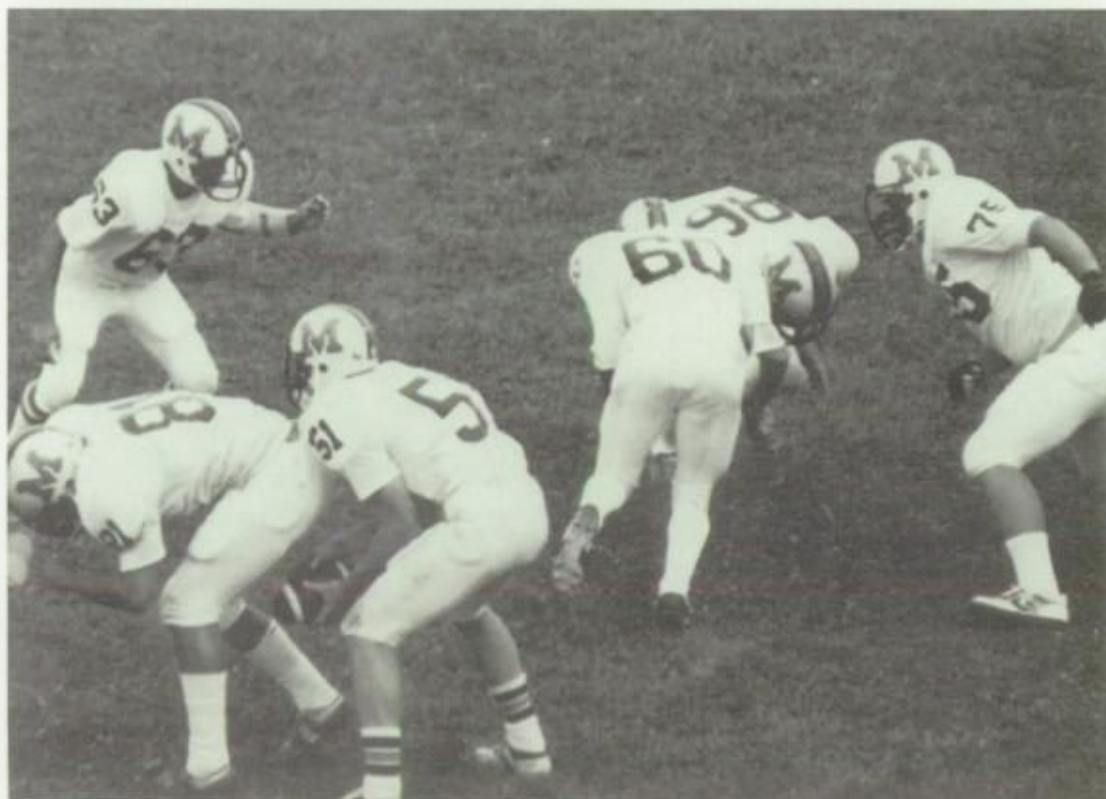

The running game was the strong point of the team because of the excellent blocking led by Peter McNierney and Jeff Irrgang. The receiving chores were handled by Jeff Sindler and Dickie McGee. Coaches McMillan, McKibbin, Bosley, and Moran were proud of this year's team despite the losses.

Another tough loss.

# Varsity Field Hockey

The motto of this year's first team was "red hot". With the determination, skill and spirit of the fourteen players combined with the positive and consistent support of coaches Karen Scarlett and Diane Allewalt, the team was able to live up to their motto and expectations. In doing so, they compiled a 17-0-3 record, the best ever in McDonogh's hockey history, and a #1 seeding in the A.I.S. Tournament. The season closed with a tie with Park in the finals of the A.I.S. Tournament, giving the Eagles a hockey co-championship.

The returning starting defense, Tracey Knock, Janet Mariani, Noreen Anderson and Holly Middleton combined their experience with the skills of freshman goalie Marielle Greer to lead the team to twelve shutouts. The attack, with Diana Owens, Debbie Stuehler and Alex Sachs as insides and Nicole Boynton, Courtney Clark and Cheryl Redwood as outsides, was an aggressive unit. Keke Leand, Alexandra Sophocleus and Dawn Potocki did an excellent job linking the defense to the attack.

The team beat Garrison, Severn and John Carroll avenging the three losses of last season. After two straight years of ties, McDonogh beat Roland Park for the first time ever this year. McDonogh was proud of the girls and their record season.

Is that the Varsity soccer team . . . Running???

## Varsity Cross Country

Under the guidance of coach Bob Seigman and the leadership of captain Mike Robinson, the Varsity Cross Country team recorded its second best record to date. The team finished the season with a 7-2 record, and third place in the M.S.A. "A" conference.

Robinson and newcomer Dave Everhart ran one and two for the Eagles all season. Maury Garten ran a consistent third for the team, saving his best performances for when the team needed them. Mike Kasper, Curtis Adams, Keith Golden, and Chris Jett battled for the fourth and fifth positions.

The team completed its season with strong performances in the M.S.A. Individual Championships. Mike Robinson placed first to become the school's first individual champion. Dave Everhart, fifteenth, and Maury Garten, Thirty fourth, had strong showings also. The Varsity Cross Country team was a true winner.

# Varsity Riding

Coached once again by Mike Robertson, the Varsity Interschool team placed second overall at the Maryland Interschool horse trials. The four person team included freshman Josette Mitchell and Kristen Mowery and juniors Jodi Carpenter and Peggy Howard. All varsity riders were very highly competitive at their competitions and expectations for continued success next year are high.

# Cheerleading

Through the years, the Varsity Cheerleaders have always supported the various McDonogh athletic teams. This year, in addition to cheering for Football, Soccer and Field Hockey, the cheerleaders tried to increase school spirit and aid the United Way campaign. The twelve girls were joined by three boys, and the squad was coached by Mrs. Millar. Under the leadership of co-captains Maria Sorongon and Michelle Vetter, the squad had a very successful season supporting McDonogh teams.

The 1982 J.V. cheerleading squad was small in number, but big in spirit. Coached by Ms. Olivia Joynes, the girls spent many hours practicing in an effort to improve the J.V. cheerleading program. The dedicated squad cheered for many J.V. games and participated in the Gilman pep-rally with the Varsity cheerleaders.

# Soccer J.V.

The J.V. Soccer team ended their successful 7-4-1 season by defeating Friends 3-1 to win the "B" Conference championship. Coach Rick Thompson guided a strong, balanced team led by captains Tom Bowman, Cort Mendez, and Jon Turner. Goalie Rollie Wesen anchored a strong defense that kept opponents at bay, while high scorer Tom Bowman led the talented offense. The team displayed tremendous tenacity and a good attitude in each game they played. Coach Thompson stated, "At no time did they give up. They always kept going."

See girls, the guys can have teas too!

## J.V. Football

Like their varsity counterparts, the J.V. also had a rough season competing in the M.S.A. "A" conference. The games were close and hard fought to the final whistle. Loyola, Poly, and Gibbons were all lost in the final moments.

Anchoring the team were linebacker Joe Scheide, quarterback Dusky Holman, and newcomers John Rallo, Mark Koski, and Greg Bell. These players provided leadership and solid play amongst a very inexperienced team.

The team has much potential and should be very competitive next season. Coaches Smith, Smoot, and Bosley are anxious to improve, realizing the enormous amount of talent they possess.

# J.V. Field Hockey

Working with a smaller, more experienced group of girls than in the past, Coach Anne Turner led the J.V. girls' field hockey team to an impressive 10-2-4 record. Co-captained by seniors Kathy Cole and Cheryl Iglesia, the team was a diverse group with players from every class in the Upper School. Strong players Lori Iglesia, Kristy Gertsen, Laura McKay, Laura Boccuti, and Stacy Levin created a nucleus for the successful 1982 J.V. hockey team.

Do you think he'd believe appendicitis?

## J.V. Cross Country

This year's J.V. Cross Country team, coached by Tom Young, finished the season at 2-4. The record does not reflect the tremendous improvement made by each team member during the season. The young harriers were competitive each meet, suffering some tough, close losses.

Captain Ralph Cooke was the team's top runner. He was closely followed by sixth-grader Steffi Rausch. Suk Oh, Steve Cooke, and Albert Olsen rounded out the top five.

The female Mike Robinson?

# JV Riding

The J.V. Riding team guided by Coach Sarah Hofstader finished second and fourth overall in the J.V. Interschool this year. Experience was not lacking this season as sophomores Dee Mallet, Bridgit Pyles and Suzanne Stanton led the team in various other competitions. Hopes for continued success are high for next year.

## Fresh-Soph Sports

The fresh-soph soccer team, consisting mainly of freshmen, showed improvement and promise as the season progressed. Coach Mel Heath's squad posted a record of 2-2, with two wins over Friends. The two losses to Gilman were close games and the team played well against older, more experienced players.

Under the supervision of coaches Andy Motsko and Doug Cooper the fresh-soph football compiled a 1-2 record. Although the team was inexperienced, much enthusiasm was displayed by the players.

The third team was created for girls who did not want all the obligations of a first or second level team, but still wanted to play field hockey. Also, it gave the beginners an opportunity to learn field hockey in a relaxed atmosphere so that they may participate on the first and second teams in future years.

Under the guidance of Coach Amy Frew, the skills of all the girls greatly improved throughout the season. Against such teams as Friends and Bryn Mawr, the team tied all of its games. With a strong third team program like this one, McDonogh field hockey can look forward to many winning seasons.

# WINTER SPORTS

# Varsity Basketball

The Varsity Boys' Basketball team completed another successful season in the M.S.A. "B" Conference under the guidance of head coach Paul Smith and Assistant Coach, Al Leslie, a 1977 graduate of McDonogh. The team compiled an impressive 19-6 regular season record. The Eagles also captured both the Mercersburg and Boys Latin Tournaments. Other season highlights included two games against Lutheran, a last second win against Gilman, and a win over St. Paul's in fourth overtime. Leading scorers Taurence Chisholm and Bruce Voelker combined to form a strong backcourt duo. Juniors Dave Bostick, Chuck Carlies, and Scott Recher gave McDonogh added strength under the basket.

# Varsity Girls' Basketball

The 1982—83 Varsity Girls Basketball Team finished the season with a 5-7 record in the A.I.S. Conference. Coach Amy Frew guided a team that was hampered by inexperience and lack in numbers. Tri-captains Noreen Anderson, Tracey Knock, and Janet Mariani, the only players with previous Varsity experience, led the squad. Freshman Christy Weber and sophomore Holly Hubbard also played key roles. In the A.I.S. tournament the Eagles defeated Bryn Mawr before succumbing in the second round to first seeded John Carroll.

# Varsity Wrestling

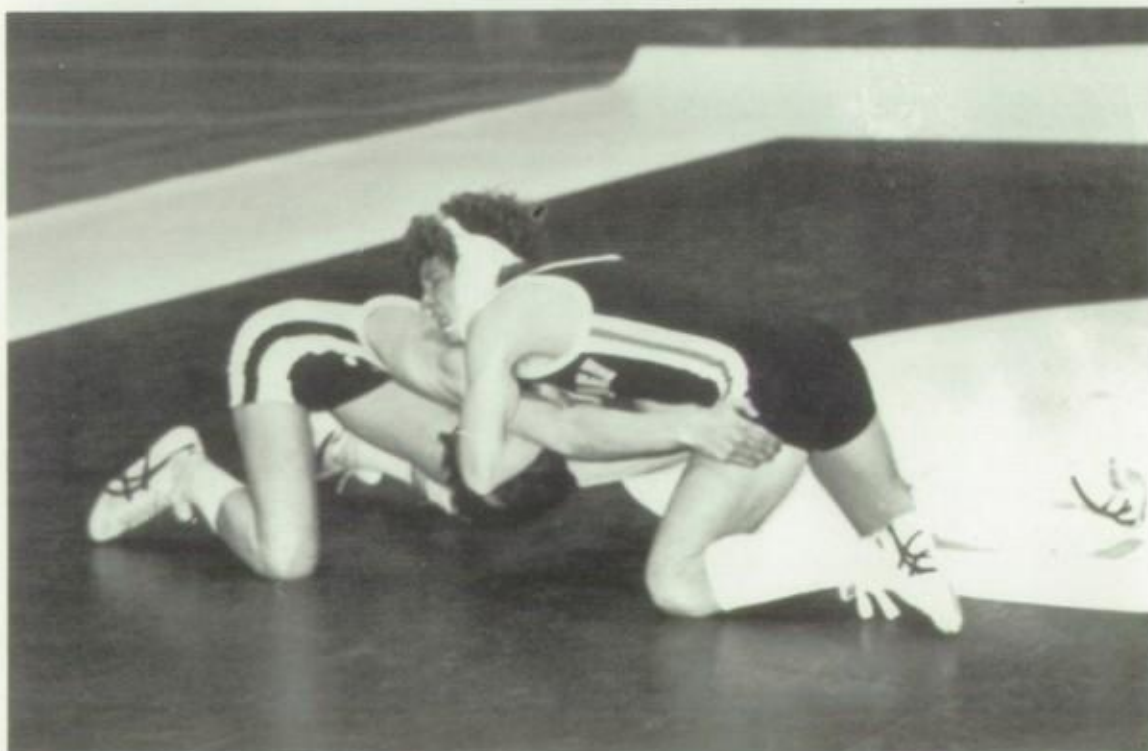

The Varsity Wrestling team, guided by coaches Henry Hooper, Bill Seal, and Rob Smoot IV, performed well in the tough MSA "A" Conference. Although there were no real standouts, the team had good balance. The lightweights, Brooks Durkee, Andy Klaff, Paris Papaminas, and Mike McGuire, posted impressive records. Heavier weights Nakazawa, Jett, Sindler, Peddy, Lehmann, and Kayarian also performed consistently throughout the season. Captain Jeff Irrgang provided leadership, along with many strong performances, for the team.

# Varsity Swimming

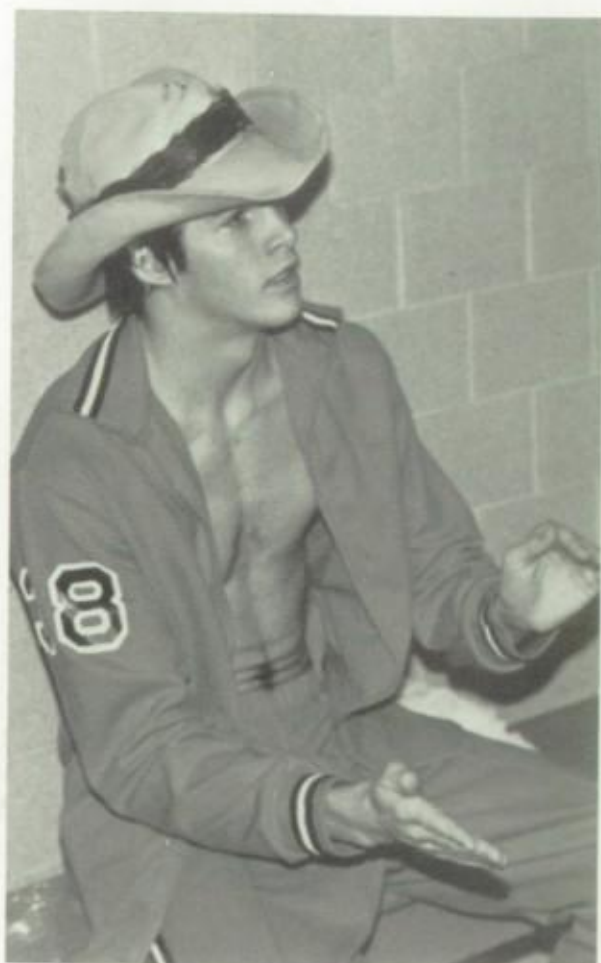

Coached by Mr. Lou Martin, the Varsity Swimming team finished with a 5-5 overall record, losing only to Mt. St. Joe in their conference. The Eagles also defeated a strong Gilman team twice during the season.

Captains Dave Everhart and Jason Lee provided the leadership necessary for a successful season. Everhart set school records in the 200 IM, 500 freestyle, and 100 butterfly. Newcomers Sandra and Susan Seaman established school records in the 100 backstroke, 500 freestyle, and 100 breaststroke.

In the M.S.A. championship finals, the Eagles also met with success. Captain Dave Everhart placed second in both the 200 IM and the 500 freestyle. Chip Sheridan placed fifth in the 100 freestyle. Maria Sorongon, a consistent performer all year, placed sixth in the Varsity diving finals.

# Cheerleading

The 1982-83 Varsity Winter Cheerleaders were tri-captained by Michele Vetter, Mary Hooper, and Don Dziwulski. Under the dedicated coaching of Mrs. Ceil Millar, the cheerleaders cheered at all of the important basketball and wrestling events. The cheerleaders also competed at a competition at the Naval Academy in Annapolis. This year's winter squad was unique because of the great number of male participants in the program. The squad also contained two seniors, Michele Vetter and Jeannie Schuerholz, who have cheered eight seasons since their freshman year. The J.V. Squad, coached by Ms. Vanni, also provided support for McDonogh's J.V. athletic program.

## J.V. Boys' Basketball

The J.V. Boys' Basketball Team enjoyed its most successful season with an undefeated regular season record. Coaches Jon Aaron and Gus Stratakis molded a fundamentally sound team. Derek McEwen, Vince Angotti, and Bill Shelton started at the guard positions. Ken Halanych and Rollie Wesen played well at forward. Bench strength was provided by Carlo Gilotte and Geoff Trussell.

Wow- I could have had a V-8!

# J.V. Girls' Basketball

The J.V. Girls' Basketball team finished with a final record of 4-6-1, posting victories over St. Paul's, Bryn Mawr, Park, and Garrison Forrest. Coach Anne Turner did a fine job of forming a strong team consisting of young and inexperienced players.

The team received strong performances from Stacey Levin, Amy Kilburn, Melinda Rau, Betsy Royall, and Lisa Spear. Injuries and illness to three key players contributed to four straight losses at the end of the season. Valerie Clayton, Michelle Fonte, Emily Kroopnick, and Usha Sunkara played well also. Marked improvement was shown throughout the season by all of the players.

Experts only use one hand

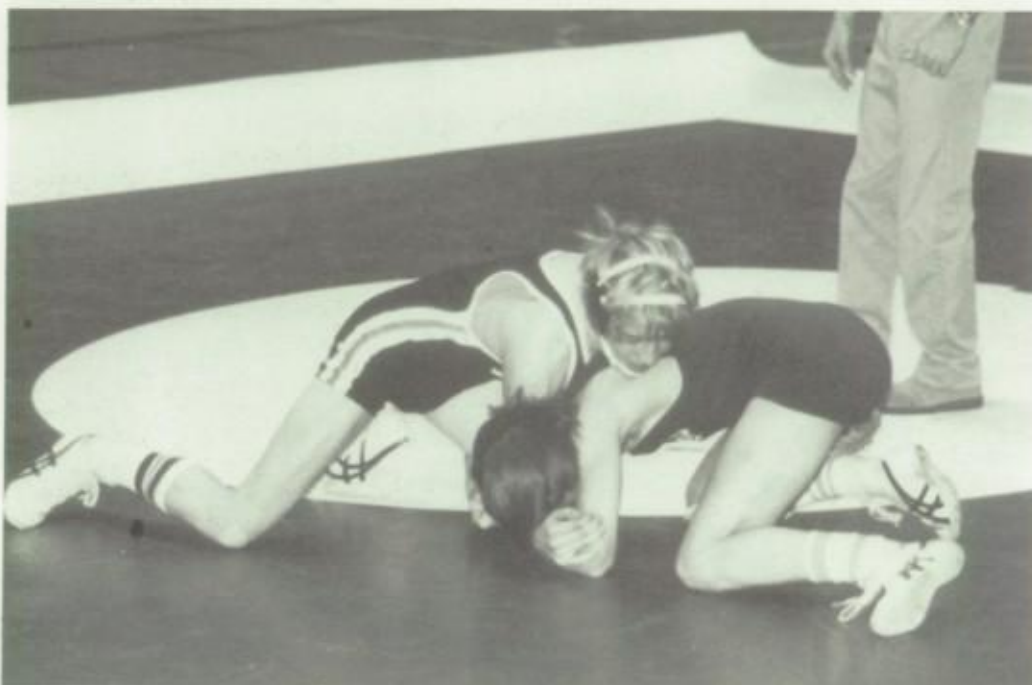

## J.V. Wrestling

The J.V. Wrestling team, although young and inexperienced, fared well in competition posting a 11-2 record. A strong team effort was the key to the grapplers success. Several wrestlers from the J.V. filled in for the Varsity when needed. Members from this year's team should provide a strong foundation for future Varsity teams. Standouts included: Greg Bell, Greg D'Alesandro, Sam Field, Mark Koski, Myles Levin, and Suk Oh.

# J.V. Swimming

The J.V. Swimming team had its best season ever. Under the guidance of Coach Tom Young, the team recorded a 4-2 record, placing second in their conference to Gilman.

During this successful season, two relay records were set, medley and freestyle, along with several individual marks. Andre Sandison broke school records in both the 100 and 200 freestyle. Lee Fraiji, in the 100 breast, and Amy Kishter, in the 50 freestyle, also established new school records.

In the M.S.A. Championship finals several athletes showed their prowess. Karen Finkelstein and Denise Sanchez finished second and third in the diving finals, respectively. Mitch Greenberg took a fourth in the 100 fly.

The only way to start off remembering the good times throughout my four years at McDonogh is by thanking the people that made it all possible- my parents. You have both worked harder to get me in and through McDonogh than I have. That shows a lot of courage, faith, and mainly love. You supported me not only financially but also spiritually. You attended every one of my games, pushed me when I needed a little pushing, and were always there with open arms when I needed help. I know you're proud to have me for your son but not nearly as proud as I am to be your son. I LOVE YOU BOTH!!

**Memories:**

My first F-Ball camp in 107 deg. and almost getting cut, Cheryl "Oh, I know where you are now", **The Grass Harp**, Weeeiirrrnick!!, **BOY!**, **The Crucible**

To Mr. Mac, Mr. McKibbin, Mr. Thomas, and Mr. Bos: Thanks for all the coaching and faith you've shown in me through the last four years. You all knew I could do well, you only had to get me to believe it. However, you stuck with me and I hope I didn't let any of you down. **THANKS A LOT!!**

To Heidi: You hold a very special place in my life. You have always been there to help me when I needed it and to support me when I didn't. You have been very patient and very loving and that's something I'll never forget. There's nothing I can say here that you haven't heard. I hope and pray that our relationship will continue and grow in the future.

To my friends: You are too important to name just some of you. Thank you for making my stay at McDonogh special.

Special memories: During the last four years, I have

had many favorable memories. I will never forget these special experiences and will cherish them always.

Unfortunate memories: 1) Although I will always be grateful for the chance to attend McDonogh, I will never forget being forced to go here. 2) I will never forget the empty feeling I had when I decided that after three years of Varsity Basketball, I would have to remove myself from the team, in order to fulfill other commitments. 3) "Leave your jersey here."

To Brag and Walker: Thanks for being my big brothers that I could look up to. Holly: Thanks for everything you and your family have done for Kate and me. I wouldn't be as happy as I am today if you didn't set me up with Kate. Joe: We had a lot of fun times that I will always remember. You and Holly were always my closest friends who were very special to me. I hope we can always stay close. Maj: I could always turn to you for anything. You were a big part of McDonogh for me and I want to thank you for this. I have always been proud to be one of your boys. Mr. Smith: Although I could never completely understand you, I could always turn to you. You were more more than just a coach; you were a teacher and a friend. You made me realize that I'm Kevin and not my big brother. Thanks for everything and I will stay in the goal! Ken: Thanks for being the older brother I could always look up to. I have always been

proud of you. Mom & Dad: If it wasn't for you McDonogh would have never come true for me. Even though I wasn't a very good student or athlete, you were both still very proud of me and gave me all of your support. What more could a son ask of his parents. I love you both very much. Kate: What can I say. Even though I wasn't an all-American boy, you were still always very proud of me, cared for me and made me feel very special. You made my last two years my best. We have been through some rough times and times will probably get rougher. I know we can make it, we have come too far already. Remember that I will always love you. McDonogh: At times I had so much work I wanted to get out, but most of the time I couldn't wait for the start of each school day. There is so much more here at McDonogh than just academics and my only regret is that there wasn't enough time for it all. I will always miss the Orange and Black.

To my parents and grandparents: Your efforts are appreciated more than you realize. Thanks for making McDonogh possible.

Mr. Hedeman, Maj, and the entire McDonogh faculty: These last few years have been difficult for me, but you have made them a little easier to get through. Your influence has been tremendous, both inside the classroom and out. I have the deepest respect, admiration, and affection for you.

To my friends:

Easy at first, the language of friendship  
Is, as we soon discover,  
Very difficult to speak well . . .  
And, unless often spoken, soon goes rusty.  
Distance and duties divide us,  
But absence will not seem an evil  
If it make our re-meeting  
A real occasion.

**Jeannie:** We've been through an awful lot in the past four years. The memories of all the laughter, tears, and dreams we've shared will be with me always. You've been a terrific friend!! Remember: "Believing is the beginning of a dream coming true!"

**Susan and Laurie:** Whenever I needed a friend you were always there. Thanks for caring so much!

**Jon:** We shared a very special friendship that I'll always treasure. "What a fine line to walk-not to let go of the past but not to hold on to it too tightly"

**Amy and Michael:** My life sure would be boring without you two around to add excitement. You both mean a lot more to me than you realize.

**Mom and Dad:** Thank you for providing me with the opportunity to attend McDonogh. The years have had their ups and downs but you've always believed in me. The guidance and advice you've provided me with is invaluable. Thanks for all your love, support, and concern. I Love You!!

Memories: "Why don't you wear white socks?" "Okay, what's your name?" "I hate to do this, Miguel." "Why aren't you wearing a tie?" "But I'm the A.F.S. Student . . ." "You're late again, Miguel!"

De leeuw mag onschuld veinzen, zolang hij nog klauwen kan.

Before I took off for America, a friend of mine asked me why I was wasting a year of my life by doing nothing when I could be studying at the university of my choice. I told him that I wanted to develop my broadness of mind before my brains. Then he said he cared more about the size of his brains than that of his skull, and I replied, "If your brain grows faster than your skull, my friend, you're likely to get an agonizing headache."

Before I left, this was just a theorem, but now I know I was right, and McDonogh helped me prove it.

I would like to thank the teachers who were understanding about my problems, but didn't favor me because I was a foreigner; I would like to thank the other members of the staff who let me get away with almost anything for the same reason; but most of all I would like to thank Maj., who was my first anchor in this vast McDonogh structure.

Although my heart never left Flanders or my city of Ghent, my mind was always with me and seldom did a nostalgic thought discomfort it, thanks to the greatness of the country, the family and the people in general who put up with me for a year.

To all of the people who have filled my days with cheer over these last seven or so years I say thank you. You have taught me much, laughed and cried with me, kept me on the straight and narrow (most of the time), and given me the chance to experience things that I will never forget. The memories I will take with me now, although too numerous to mention here, will always serve to help me continue along a better path. I cannot say thank you enough . . . . .

Weston: If you stay on the path you have chosen for yourself, I know you will make it. Keep up the good work; good luck!

To Philip: What can I say: We have been through a lot together over the years and you were always there when I needed help. You and your wonderful family (indeed my home away from home) will always remain number one in my book.

Mom, Dad, Fred, and Gus: I know I haven't been the best over the years, but you never held it against me. That is something I will love you all for forever.

To my Friends:  
Friendship, like wine  
Improves with time,  
Years add flavor,  
To remember and savor,  
There's a mellow start,  
Sweet or tart,  
Then the liquid flows,  
It keeps on going,  
slowly growing,  
Until the warmth glows.  
So appreciate luxury  
of this kind,  
True friendship, like  
good wine,  
Is not easy to find.

## 41ST ANNIVERSARY

THE ENSIGN C. MARKLAND KELLY, JR. MEMORIAL POST #174 of the AMERICAN LEGION was formed in his honor, to perpetuate his name and keep alive the AMERICAN ideals for which he so willingly gave his life.

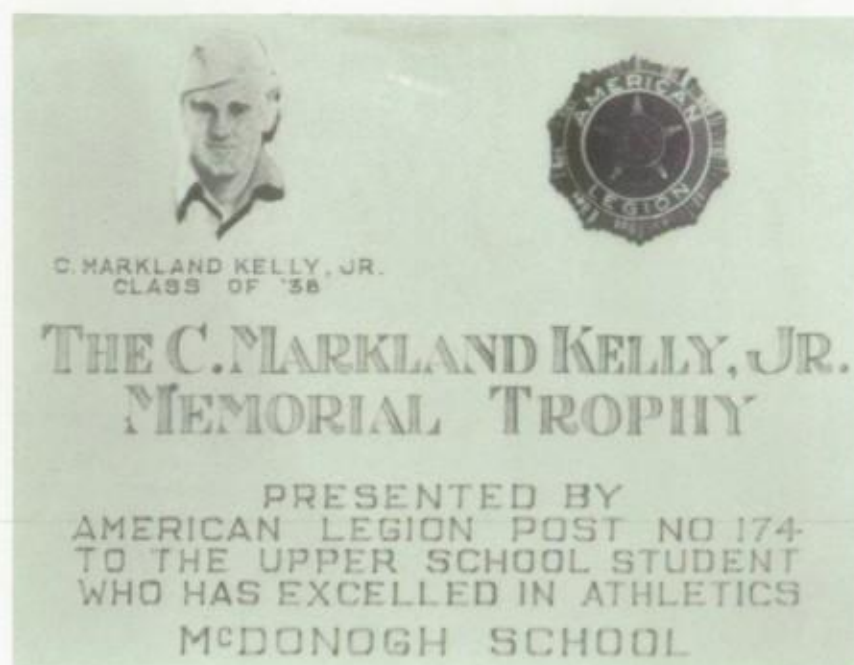

☆

To this end the Ensign C. Markland Kelly, Jr. Memorial Post #174 has been active in many programs and activities, a few of which are listed below.

- American Flag—Educational programs for flag etiquette and American Flags presented to Boy and Girl Scout Troops.
- Athletics—Junior baseball, basketball and lacrosse teams sponsored. Lacrosse trophies for High Schools and Colleges. A baseball field is maintained in the Northwood area. Annual Sports Award presented to an outstanding coach in the State of Maryland.
- Baltimore City Zoo—Gifts of (11) Polar bears, Jenny the elephant and most recently the Sardinian donkeys, Ginger Bread and Cupcake.
- Boys and Girls State—(8) High School Juniors each year sponsored.
- Boy Scouts—Over 18,000 Boy Scout calendars presented annually to schools, troops and Cub Packs.
- Drum and Bugle Corps—Sponsoring St. Mary's Drum and Bugle Corps and Honor Guards in American Legion competition each year.
- Essay and Oratorical Contests—Sponsoring contests in all schools interested.
- Open Shutter—Maintain film library for "shut-in" institutions as well as providing live entertainment and refreshments as occasion arises.
- Scholarships—McDonogh School and Baltimore College of Commerce.
- Memorial Services—Open to the public, each year a Memorial Day Service is held at Loudon Park Cemetery on May 30th for all who have made the supreme sacrifice for their country. Watch for announcement in the papers.

Since its inception, the Post has been interested in the community; and many things have been done to promote its welfare. Special credit should be given to the ENSIGN C. MARKLAND KELLY, JR. MEMORIAL FOUNDATION, INC. for their financial assistance. The result—many of the programs are a reality rather than a dream.

IF—

"BROTHER SQUARE-TOES"—REWARDS AND FAIRIES

If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too;  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated, don't give way to hating,  
And yet don't look too good, nor talk too wise:

If you can dream—and not make dreams your master;  
If you can think—and not make thoughts your aim;  
If you can meet with Triumph and Disaster  
And treat those two impostors just the same;  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings  
And risk it on one turn of pitch-and-toss,  
And lose, and start again at your beginnings  
And never breathe a word about your loss;  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,  
Or walk with Kings—nor lose the common touch,  
If neither foes nor loving friends can hurt you,  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And—which is more—you'll be a Man, my son!

We know you will excel at college as you have in life.

MOM, DAD, CHRIS, and STEPH

P.S. Now, If you'd Just Clean Up Your Room!

With all the powers of your body concentrated  
in the hand on the tiller,  
All the powers of your mind concentrated  
on the goal beyond the horizon,  
You laugh as the salt spray catches your  
face in the second of rest  
Before a new wave-  
Sharing the happy freedom of the moment  
with those who share your responsibility.  
So in the self-forgetfulness of concentrated  
attention- the door opens for you  
into a pure living intimacy,  
A shared, timeless happiness,  
Coveted by a smile,  
A wave of the hand.

Thanks to those who have taught me this.
